

Terms and Conditions

(All terms and conditions apply).

Title to any goods remain with P.U.L.(Manufacturing)Ltd until full payment or funds have cleared.

P.U.L.(Manufacturing)Ltd will endeavour to deliver goods within 28 days of receiving the order. The customer has the right to cancel the order after 28 days without any obligation to P.U.L.(Manufacturing)Ltd.

Order conditions.

If you place an order and consequently cancel it for whatever reason P.U.L (Manufacturing) Ltd will reimburse your credit card, less 10% of your order total to cover our costs. The reason for this is that the majority of goods are manufactured to order so we still incur the manufacturing cost and the consequential storage and depreciation costs of goods that sit in stock. We also incur charges from the merchant company for transactions. So, please do not order unless you are serious about buying the goods.

Sizing. It is well known that sizing is very subjective, not only across continents but also across manufacturers. You can buy a size 14 skirt in Next and it will be smaller than a size 14 you bought from M&S. At PUL we use standard UK sizing from size 10 (small) to size 18 (2XL) and on selected garments up to size 22 (4XL) for ladies. We use medium to 2XL Gent's sizing on male garments. We also have unisex fit which is suitable for both genders. We are told that our female sizing is quite "tight" so if you are a 'large' size 12 you will be better going for a size 14 and so on. If you are not sure, please discuss with us before you order. If consequently you order the garment and it does not fit you are entitled to exchange the goods for another size on the basis that the goods are returned as stated below.

Goods warranty, Delivery and return conditions.

Delivery.

Our standard delivery from point of order is 14-21 days. In quiet periods March to June this can be 7 days but in busy periods such as November to December delivery can be up to 28 days. For Christmas delivery you should order no later than 21st of November. Goods that weigh less than 5kgs are sent by Royal Mail recorded delivery and are tracked. The goods will have to be signed for. If you are not in, Royal mail will leave you a card asking you to collect from the post office. Goods over 5kgs will be sent by a courier company. Again you will need to sign for the goods. If you are not in, the delivery company will leave a card and attempt to either deliver again or ask that you collect from their depot. If you are concerned about your delivery we have a tracking system, which gives an indication where the parcel is. If the goods get lost in transit we will carry out an investigation and claim against the delivery company. If this occurs which fortunately is rare, we have to wait 28 days before the parcel is deemed officially lost. At this point we will automatically send out a replacement order. Sometimes both orders arrive and we have notification of delivery by the delivery company. The customer is required to contact us and we will arrange collection or the customer has the option to purchase the goods. If the goods are delivered and the customer does not inform us we will charge the customer for the goods after 14 days.

7 Days after delivery.

Customers can return goods up to 7 days after delivery for the following reasons:-

- 1) Wrong Size
- 2) Colour was not as expected.
- 3) The fit or style was not as expected.

At this point you are entitled to a full refund less the cost of postage, or you can put the credit against another order.

On return of goods the following will apply.

The goods will be quality checked and if found satisfactory the refund will be raised. **A refund will not be raised for the following reasons:-**

- 1) Garment has been obviously worn i.e. dirt marks, creases, body odour, hairs, dandruff etc.
- 2) Damaged garment i.e. ripped, torn, stretched or, marked.
- 3) Garment is contaminated with household smells i.e. smoke, cooking or animals. **(Please note that PVC is porous and absorbs household smells very quickly especially tobacco smoke and cooking smells. These odours cannot be removed from the PVC and hence we are unable to return goods to stock).**
- 4) For reasons of Health and Hygiene no underwear can be returned.

7-28 days after delivery.

The goods have a warranty for 28 days after delivery against faulty material or workmanship. The PVC we use is un-supported; it has no cloth backing and is not laminated. The garments are designed for light use and if treated carefully will last many years. The weakest point on any PVC garment is the seams, pockets and buttons where stress takes place. Eventually, most PVC garments will tear or separate in these areas. PVC-U-LIKE is happy to repair garments where possible and for this there is a small charge of £5. If the goods are returned in this period the fault will be rectified and the goods returned to the customer. **Please note: Garments must be taken out of the packaging as soon as possible and hung in a dry environment. Garments with black zips should always be hung and not folded as the ink in the zip can be drawn out and will mark the plastic...you have been warned! We do not accept garments back that have ink marks.**

(PVC-U-LIKE employees are aware of PVC fetish, breath play, AB and transvestites and are able to advise on our garments to suit various situations but are advised not to talk to customers about personal preferences or sexual preferences).
